

REMARKS

The undersigned certifies that the CRF of the Sequence Listing contained in the file named "2500USOP.ST25.txt" is identical in content to the Sequence Listing herewith submitted.

The Sequence listing and CRF contain no new matter, only the information that was present in the specification as originally filed.

For the sake of expediting this case, Applicant's request an Examiner's amendment to insert the appropriate SEQ ID NO. identifiers into the specification at the identified locations. This adds no new matter, only identifying information correlated to the Sequence Listing.

The Commissioner is authorized to charge any applicable fees or credit any overpayments to USPTO Deposit Account No. 500799.

Should the Examiner have any questions, he is respectfully requested to call applicants' attorney at (847) 383-3372.

Respectfully submitted,
